Ref: **Herbal Tea Concentrate (N392-00, N393-00, N547-00, N546-00)**

Dear Dr. Moore:

Pursuant to 21CFR§101.93, please be advised Herbalife International of America, Inc. has introduced Herbal Tea Concentrate. Labeling bears the following structure/function claim:

Herbal Tea Concentrate This delicious low-calorie tea mix blends green tea and orange pekoe with cardamom seed, lemon peel, hibiscus and natural sources of caffeine for an uplifting taste treat.* Caffeine is known for its natural thermogenic (metabolism-boosting) benefits and green tea for its antioxidant properties.* Studies have shown that regular consumption of moderate amounts of caffeine can support weight control.* Enjoy refreshing Herbal Concentrate as part of your weight-loss program or whenever you want a boost.*

Herbal Tea Concentrate is labeled and promoted with statements provided for in Section 403 (r) (6) of the Federal Food, Drug and Cosmetic Act.

The product label prominently bears the required ruled DSHEA disclaimer statement: "These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."

Please be advised that we have substantiation on file that these claims are truthful and not misleading.

If you have any questions, please do not hesitate to ask.

Sincerely,

979 0162
